

Treasurer's Report 2022

Thank you once again to all supporters of St. Mary's who pay by standing order, knowing how much your regular income helps a great deal with trying to budget.

Of the £7,327 surplus from the money collected for the porch repair we spent £3,192 on repairs to the roof plus one new tile for the porch, which leaves us with £4,130 still available for maintenance.

We held one fund raising event this year a plant sale in May, this raised £893 hopefully this year we will be back to normal and have many more enjoyable events.

Our quota was £17,355 we have been increasing this by 3% a year for the last three years, this is much appreciated by the diocese.

General collections are still fairly low but hopefully they will improve when congregations also improve.

This year for the first time for many years we have payments over receipts.

Barbara Verco
Treasurer
