Inspiring people through worship and word to live out God’s love in their daily lives

The Parochial Church Council of Horne, St Mary the Virgin

Safeguarding Annual Report to St Mary’s Horne APCM April 2024

Safeguarding policy is aimed at protecting children, young people and vulnerable adults from harm and adopting best care practice during Church activities. The policy is devised by the Church of England and cascaded to the parish via the Diocese of Southwark.

The policy and associated guidance that are used at St Mary’s are contained in a publication called ‘A Safe Church’ and this publication and related information exist both on-line on the Church of England and Diocesan websites, (for latter see

<https://southwark.anglican.org/safeguarding/diocesan-policies-procedures/>)

– there is also a hard copy of ‘A Safe Church’ that is kept in a folder held in the Vestry at St Mary’s.

For easy reference by the congregation there is Safeguarding poster at back of church that includes:

- *A formal statement of adoption of the House of Bishops’ ‘Promoting A Safer Church; safeguarding policy statement’. This is signed on behalf of the PCC;*
- *Contact details of the Parish Safeguarding Officers and churchwardens;*
- *Information about where to get help with child and adult safeguarding issues including local authority contact details, domestic abuse and key helplines e.g. Childline, NSPCC, etc.*

Every PCC meeting at St Mary’s has a standing agenda item on Safeguarding; this enables regular discussion when needed on any relevant matters arising such as updated information from the Diocese Safeguarding Team including revisions to A Safe Church, Safeguarding training opportunities, revised contact details etc.

Details of the on-line training portal are at <https://southwark.anglican.org/safeguarding/training/> which includes a table of the appropriate training to be undertaken for each role in the church, (see next page/ over).

There is a recommendation for all PCC members to take the ‘Basic Awareness’ and ‘Foundation’ modules training, not just for those roles where safeguarding awareness is needed by church officers. Principal leaders (PSO’s, Churchwardens and our Director of Music and Organist), completed this module in March 2023. However, we have been recently asked to repeat this training as part of the new incumbent recruitment process by our Archdeacon, Moira Astin.
